What is the Intra-Curricular Program Membership Plan?

The Intra-Curricular Program Membership Plan allows students who are enrolled in a Business, Media, and/or Information Technology program to be eligible for the benefits and opportunities of FBLA as a part of the total program delivery. This plan also focuses on the development of essential employability, participative and aptitude development skills as called for in the U.S. Department of Labor’s Secretary’s Commission on Achieving Necessary Skills (SCANS) Report.

Under the Intra-Curricular Program Plan, all students are FBLA members. These students who are in a local Business Education, Media, and/or Information Technology programs are simply signed up using a fee schedule according to classroom membership numbers.

How Does the Intra-Curricular Program Plan Work?

For a flat fee in a single Business Education, Media, and/or Information Technology program, join FBLA Arizona under a tiered program fee based on student enrollment in your current classes. **Reminder all membership payments need to be mailed to the FBLA Arizona Payment Address NOT the National Office:**
